4. **Terms and Conditions.** The Advantage Savings Plan is not an insurance plan. No claims are filed, and no payments are made to any other healthcare providers. Marina Dental Care is not a licensed insurer, health maintenance organization, or other underwriter of health services.
 - The Advantage Savings Plan is a direct agreement between patient and Marina Dental Care. Patient is electing to make payments directly to Marina Dental Care in return for services.

 - By enrolling on the Marina Dental Care Advantage Savings Plan, members decide their own membership year.
 - The Advantage Savings Plan cannot be combined with any other offers, discounts or special advertisements.
 - Families will have additional discounts on the membership fee as described below.

- To qualify for “family member” addition to the Advantage Savings Plan, the person must be living at the same address (exception: college students).
 - Fees for dental services may change at any time.
 - **Dental services of specialists, even if they work in our office, are not covered by this membership savings plan even if the procedure is recommended by one of our doctors.**

 - For patients **with periodontal disease**, periodic exam and periodontal maintenance procedures must be at least three months apart.
 - Marina Dental Care will not change the frequency of periodic exams, dental cleanings or periodontal maintenance because the member failed to secure proper appointments for services.  - Services not utilized at the end of each year’s membership period **are not carried over** to the following membership year.
 - Once diagnosed with periodontal disease, members cannot renew their subscription as members with no periodontal disease in the Advantage Savings Plan unless they sign a waiver releasing Marina Dental Care and its doctors from any liability. A patient may be dismissed at the Doctors’ discretion for not following prescribed treatment.
 - **If the membership plan is terminated by member or by the office, the member will not be allowed to rejoin the Advantage Savings Plan because the membership is a loyalty program. In exceptional cases, a member will be able to rejoin the membership only with annual payment and a \$100 (one hundred dollars) reinstatement fee.**
 - Marina Dental Care may refuse the membership of anyone whose membership was terminated by the dental office or by the member.
